RHS Chelsea 2010 Review

The brilliant sunshine on press day this year was something of a mixed blessing, at least for those of us tasked with photographing the stunning gardens on display. Strange as it may seem, there is such a thing as too much sun and whilst the gardens looked beautiful through Polaroid sunglasses, a Polaroid filter wasn't amongst the contents of my handbag and consequently the images in this report, despite some manipulation, don't do these gardens justice.

That said, nothing can take away from the achievements of our BALI designers, contractors and the many affiliate members who contributed to the impressive medal tally of seven Gold, four Silver Gilt, five Silver and three Bronze. In addition, BALI members were intrinsic to achieving the following accolades:

- **Best Show Garden – The Daily Telegraph**
(BALI Designer Andy Sturgeon)
- **Best Courtyard Garden – 'Music on the Moors'**
(BALI Contractor Landform Consultants Ltd)
- **RHS Show Team Award for Contractor of the Year –**
Landform Consultants Ltd

Congratulations to all BALI medal winners and our affiliates who both sponsored gardens (Global Stone, Bradstone, Barcham Trees, Marshalls) and supplied their quality products (Rolawn, Privett International and others), contributing to the many successes at a glorious Chelsea 2010.
